Welcome Ladies! Whether new to golf or you've been around the green a while, our league welcomes players of all abilities! To become a member, just complete the attached form and mail it with your \$50 check to our Treasurer, Cathy Quigley. To start golfing as a member, simply follow the instructions above! This is a "Drop In" league, meaning you can join anytime during the season, you don't have to play every week, and you can play in either the Tuesday Night or Thursday Morning league or both by following the sign up instructions above. Members are invited to special events or day trips advertised during the season, plus the annual events listed in this packet. In addition, members receive discounts and added benefits listed below!

The Tuesday 9 hole league encourages fun & camaraderie while playing by league rules to keep it enjoyable for everyone. Ask to be partnered with a friend or we'll team you up. Stay for dinner or cocktails & make it your night out! The restaurant provides an optional "golfer menu" on league night with inexpensive quick meals. If you can't play on a given Tuesday, come Monday night instead—just call the pro shop at (856)769-8333 extension 1 to reserve a tee time for after 3PM and don't forget to leave the scorecard with the cart attendant so we can track your accomplishments!

The Thursday 18 hole league is more competitive with a unique, fun, low stress game for a cash prize! Foursomes are picked randomly and handicaps are required but not necessary to start out. The Pro Shop can help get your handicap started and after 5 scores you'll be ready to compete for the weekly prize money! Thursday is a great day of golf followed by the game award and lunch or drinks in the 19th hole if your schedule permits!

As a reminder, only bona fide Members of the Cream Valley Social Club may purchase Alcoholic Beverages for consumption at Town & Country, but the Membership is FREE! If not already a social club member, complete the form attached and send it in with your application. Due to liability issues, outside alcoholic beverages are not permitted at Town & Country!

Make sure you pick up the league & golf course rules flyer at the start of the season, or from the course website. Feel free to contact the League Chairpersons, Officers or golf course Director of Golf with any questions or concerns! This league is all about getting out there on the course and having fun, so join us!
