

Dear Ladies-

It's been a long and unprecedented 12 months, and I sincerely hope you and your families have remained safe from the Covid-19 virus. With the loss of the 2020 league season behind us, we look forward to bringing back the Town & Country Ladies League for another fun year of golf. The course is currently under limited dining and gathering restrictions, but with Covid case numbers decreasing we have tentatively set the following start dates and procedures, subject to change. Please read *all* of the information below regarding the upcoming season and how it may pertain to your safety during the Covid-19 pandemic:

- Tuesday, May 4<sup>th</sup> at 5:00 PM for 9 Hole League play \$30 weekly
- 9 Hole League Pass Punch Card \$300 (11 Tuesday night League Rounds)
- Thursday May 6<sup>th</sup> at 9:30 AM for 18 holes \$45 weekly
- 2021 League Dues \$55 (63 ladies have already paid)
- GHIN Handicap Fee \$35
- 10% Discount on Pro Shop Goods & Apparel (not valid on equipment)
- Masks will remain mandatory in all places at all times except when seated at a table to eat/drink or when on the golf course. We highly encourage masks when riding in carts with others, and will be reminding players to keep a 6' distance when in close proximity such as putting.
- SINGLE USE golf carts will unavailable on league days due to our golf cart fleet size. A refund of your paid dues will be issued if you are not comfortable riding with others.
- NEW FOR 2021 – The Pro Shop can now store credit card information safely and securely in the new foreUP Software system, allowing us to charge you for play without entering the pro shop and/or waiting in a congested payment line. We will be highly encouraging this method.
- For Dining after golf, our expanded outdoor seating area will allow us to accommodate all of you even with the current indoor restrictions. With a May start, the weather should be perfect for it!

More information will be sent as it becomes available, as well as registration forms to those who did not register in 2020, capacity permitting. If you pre-paid last season and have decided not to play in the 2021 season, please contact me for a full refund of your dues. I currently have a large roster of 63 Ladies and we may have to cap it to exclude any new members if restrictions are not lifted by May. I look forward to seeing you all soon!

Very Truly Yours,

Karen Pierson, President  
Town & Country Ladies League
